## APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source. A substantial headgate and weir must be installed and maintained at or near the point of diversion to facilitate the measurement and control of water. The State reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.25 cubic feet per second.

Actual construction work shall begin on or before July 1, 1938

Proof of commencement of work shall be filed before August 1, 1938

Work must be prosecuted with reasonable diligence and be completed on or before July 1, 1941

Proof of completion of work shall be filed before August 1, 1941

Application of water to beneficial use shall be made on or before

July 1, 1942. Proof of the application of water to beneficial

use must be filed with State Engineer on or before August 1, 1942

As Filed JUN 18 1937

Proof of commencement of work filed JAN 5 1938 WITNESS MY HAND AND SEAL this 8th day

Cancelled JUN 29 1950 because of failure to refile corrected application within statutory time

of January 1938
